

## Additional programs

Euro Stars Gymnastics offers recreational and competitive gymnastics, as well as classes in fitness and conditioning, tumbling and cheernastics.

### Preschool Classes

Parent and Tot classes are for walking – age 3. We offer a Tiny Twinkler Transition class for those age 3 or 4 who may sometimes need additional adult assistance. Students age 4 can enter our Tiny Twinkler co-ed class. At age 5, or with permission, we offer Super Twinkler (co-ed) or Mighty Twinkler (boys), before entering our recreational or developmental programs.

### Belief in the whole child

Children develop at a different paces and it is important to recognize that **many skills develop at paces that vary by child.** We meet children where they are so that they can develop their skills.

By preparing for school with a lot of activity, the pre-school-aged child is able to both be active, while also learning “the little things” like working with friends, taking turns, listening to teachers and working hard on skills that may not come easy!

## Actively prepare for school

Euro Stars Gymnastics understands that kids need to be active to be active! Active kids means active minds and sets the tone for fitness for life!

Our Preschool Gymmy Stars Program director is a certified Michigan teacher, and also a certified gymnastics coach.

**The goal of the Preschool Gymmy Stars program is to develop the whole child and actively prepare for school.**

Each class begins with circle time, and each day includes gymnastics and other gross motor skills, as well as a rotation of fine motor, imaginative play and literacy-based activities.

This is a great program to supplement a preschool or homeschool-style program for ages 4-5.

## Summer Program Options

Our summer program is one morning a week and focuses on preparing those entering Young-5s or Kindergarten for school, while also getting a lot of gymnastics and other gross motor skills. Fine motor development is also part of the program.

## School Year Program Options

2019-2020 Monday and Wednesday  
Preschool Gymmy Stars

- Noon – 3 pm

2019-2020 Tuesday and Thursday  
Preschool Gymmy Stars
